

BOCCHORIS BRUT CAVA NV

ALT PENEDEÈS, SPAIN

THE PRODUCER

Bocchoris winery was established in 1918 by the Santacana family. A long established winemaking family. The cellar is located in the center of Sant Sadurní d'Anoia village (Barcelona) and is considered one of the five oldest and most traditional cellars still running. The Knotted Vine have even had the opportunity to work alongside Bocchoris and produce our very own blend that we thought would work best for the UK market. It's delicious and a must try!
